```
          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                        G/B
I see His wounds, His hands, His feet
           D             G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
               D                Em
They laid Him down in Joseph's tomb
             C               G/B
The entrance sealed by heavy stone
        D                  G     Bm  C
Messiah still and all alone

Chorus:
  G                         C         G
O praise the Name of the Lord our God

For endless days, we will sing Your praise
   C        Dsus4 D   G       Bm   C
Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn
            D           Em
The Son of heaven rose again
            C                   G/B
O trampled death, where is your sting
          D                      G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                    Em
The blazing sun shall pierce the night
            C              G/B
And I will rise among the saints
            D                  G
My gaze transfixed on Jesus' face

Jesus Christ my Living Hope

               C                   G
