Key: | Song Key: G | Capo: 0 | Notes: Thanks

Verse 1

```
G         D                    Em7           C
Blessed be Your name, In the land that is plentiful
            G             D                      C
Where Your streams of abundance flow, Blessed be Your name

G         D                      Em7           C
Blessed be Your name, When I'm found in the desert place
          G                    D                    C
Though I walk through the wilderness, Blessed be Your name

G               D                   Em7           C
Every blessing You pour out, I'll turn back to praise
G                                   D
When the darkness closes in
       Em7         C
Lord still I will say

                G           D                        Em7    C
Blessed be the name of the Lord, Blessed be Your name
                G           D                        Em7      C
Blessed be the name of the Lord, Blessed be Your glorious name

G         D                      Em7           C
Blessed be Your name, When the sun's shining down on me
           G               D                     C
When the world's all as it should be, Blessed be Your name

G          D                    Em7                C
Blessed be Your name, On the road marked with suffering
                G             D                 C
Though there's pain in the offering, Blessed be Your name

     G             D         Em7           C
You give and take away, You give and take away
      G                    D        Em7             C
My heart will choose to say, Lord blessed be Your name

How great Thou art!

Key: G | Song Key: A | Capo: -2 | Notes: Declaration

```
            G                C
O Lord my God, When I in awesome wonder,
          G                    D/F#      G
consider all the Worlds Thy hand hath made.
            G                  C
I see the stars, I hear the rolling thunder
                G              D/F#     G
Thy pow'r throughout the universe displayed

                G        C             G
Then sings my soul, my Savior God, to Thee
                Am7                    G
How great Thou art! How great Thou art!
                         C                 G
Then sings my soul, my Savior God, to Thee
                Am7    C                  G
How great Thou art! How great Thou art!

              G                    C
And when I think that God, His Son not sparing
               G                   D/F#    G
Sent Him to die, I scarce can take it in
                G                  C
That on the cross, my burden gladly bearing
               G              D/F#    G
He bled and died to take away my sin

                     G                          C
When Christ shall come, with shouts of acclamation
              G                      D/F#      G
And take me home, what joy shall fill my heart
               G                  C
Then I shall bow in humble adoration
               G                      D/F#       G
And there proclaim, My God, how great You are!

Gratitude

Key: E | Song Key: G | Capo: -3 | Notes: Declaration

```
        E                              C#m
All my words fall short, I got nothing new
           B                          A
How could I express, All my gratitude?

         E                            C#m
I could sing these songs, As I often do
           B                             A
But every song must end, And You never do

     E                                                        B
So I throw up my hands and praise You again and again
  B
'Cause all that I have is a
A             C#m        B
Hallelujah   Hallelujah
      E                                                              B
And I know it's not much But I've nothing else fit for a King
  B
Except for a heart singing
A            C#m   B    E
Hallelujah  Hallelujah

          E                                 C#m
I've got one response, I've got just one move
         B                                    A
With my arm stretched wide, I will worship You

[Bridge]
E
So come on, my soul
E
Oh, don't you get shy on me
B
Lift up your song
B                           A
'Cause you've got a lion inside of those lungs
A                         E   C#m
Get up and praise the Lord

Before the throne of God above

Key: B | Song Key: C | Capo: 11 | Notes: Thanks

```
B                      E    B
Before the throne of God above
B                        D#m
I have a strong, a perfect plea:
              E        B      F#     G#m
A great High Priest, whose name is Love,
          E                      B
Who ever lives and pleads for me.
             E             B
My name is graven on his hands,
             E             G#m
My name is written on his heart;
             E        F#         G#m
I know that while in heaven he stands
               E             G#m
No tongue can bid me thence depart
               E              B
No tongue can bid me thence depart.

B                     E    B
When Satan tempts me to despair,
B                       D#m
And tells me of the guilt within,
          E        B    F#   G#m
Upward I look, and see him there
          E               B
Who made an end of all my sin.
              E            B
Because a sinless Savior died,
             E             G#m
My sinful soul is counted free;
              E         F#   G#m
For God, the Just, is satisfied
        E                   B
To look on Him and pardon me
        E                   B
To look on Him and pardon me

Behold him there, the risen Lamb
My perfect, spotless righteousness,
The great unchangeable I am,
The King of glory and of grace!
One in himself, I cannot die
My soul is purchased by his blood
My life is hid with Christ on high,
With Christ, my Savior and my God
With Christ, my Savior and my God

How deep the Father's love for us

```
     D                  Em   D  G        D                Asus
How deep the Father's love for us, how vast beyond all measure
     D                   Em   G       D                A    D
That he should give his only son, to make a wretch his treasure
                         Em      G        D                  Bm    A
How great the pain of searing loss, the Father turned his face away
    D                     Em     G          D           A   D
As wounds which mar the chosen one, bring many sons to glory

     D         Em   D  G        D               Asus
Behold the man upon a cross, my sin upon his shoulders
 D                  Em       G         D             A    D
Ashamed, I hear my mocking voice call out among the scoffers
                    Em   D     G    D             Bm    A
It was my sin that held him there until it was accomplished
    D                     Em  D   G       D               A   D
His dying breath has brought me life; I know that it is finished

 D                  Em D  G        D                 Asus
I will not boast in anything: no gifts, no power, no wisdom
  D                   Em   G          D             A    D
But I will boast in Jesus Christ; his death and resurrection
                         Em  D  G      D             Bm A
Why should I gain from his reward? I cannot give an answer
    D                   Em  D   G          D                  A   D
But this I know with all my heart: his wounds have paid my ransom
