Living Hope

Key: G | Song Key: G | Capo: 0 | Notes:

```
              G            D
How great the chasm that lay between us
             C    Em        D
How high the mountain   I could not climb
         G              D
In desperation I turned to heaven
              C  D  G
And spoke your name into the night
                 C                 G
Then through the darkness your loving kindness
                 Em        D
Tore through the shadows of my soul
            G              D
The work is finished the end is written
      C     D  G
Jesus Christ my Living Hope

           G             D
Who could imagine so great a mercy
                 C  Em            D
What heart could fathom    such boundless grace
           G                  D
The God of Ages stepped down from Glory
           C   D   G
To wear my sin and bear my shame
                C         G
The cross has spoken I am forgiven
            Em             D
The King of Kings calls me His own
          G               D
Beautiful Savior I'm yours forever
      C     D  G
Jesus Christ my Living Hope

     C  G             D            Em
Hallelujah praise the One who set me free
     C  G            D              Em
Hallelujah death has lost its grip on me
         C        G            D          Em
You have broken every chain there's salvation in your Name
      C     D  G
Jesus Christ my Living Hope

              G                        D
Then came the morning that sealed the promise
             C   Em          D
Your buried body    began to breathe
           G                   D
Out of the silence the Roaring Lion
             C             D       G
Declared the grave has no claim on me
      C            D    G
Jesus Yours is the victory
