```
E                                                F#m      A
He's coming on the clouds kings and kingdoms will bow down
C#m                                          F#m         A

Who can stop the Lord Almighty

E                        B/D#      C#m
Our God is a Lion the Lion of Judah
                    E/G#                    A
He's roaring in power and fighting our battles
                         B
And every knee will bow before Him

E                          B/D#      C#m
Our God is a Lamb the Lamb that was slain
                                   E/G#              A
For the sins of the world His blood breaks the chains
                         B                           A
And every knee will bow before the Lion and the Lamb
                    B           E
Every knee will bow before Him

E                                  F#mA
Open up the gate make way before the King of Kings
    C#m                                       F#m  A
The God who comes to save is here to set the captives free
                         B
For who can stop the Lord Almighty

F#m                E/G#
Who can stop the Lord Almighty
A                  B
Who can stop the Lord Almighty (repeat 3x)

Ten thousand reasons for my heart to find.

    A       E            B             C#m
And on that day when my strength is failing,
    A          E             B          C#m
The end draws near, and my time has come;
A         E                   B         C#m
Still my soul will sing your praise unending
A2            E                  Bsus4  B  E  Esus4 E
Ten thousand years and then fore - - vermore!

Yes, I'll worship Your holy name

The Heart of Worship

Key: E | Song Key: E | Capo: 0 | Notes:

```
E                          B              F#m
When the music fades, all is stripped away
               B
And I simply come
E                  B                        F#m
Longing just to bring something that's of worth
                       B
That will bless Your heart

F#m              E/G#          B
I'll bring You more than a song
                 F#m                 E/G#          B
For a song in itself   is not what You have required
F#m               E/G#     B
You search much deeper within
                          F#m                        E        B
Through the way things appear, You're looking into my heart

E                         B/D#
I'm coming back to the heart of worship
             F#m                 A           B    E
And it's all about You, it's all about You Jesus
E                                  B/D#
I'm sorry, Lord, for the thing I've made it
                F#m              A           B    E
When it's all about You, it's all about You Jesus

E                  B                 F#m
King of endless worth no one could express
                 B
How much You deserve
E                  B                 F#m
Though I'm weak and poor all I have is Yours
                       B
Ev'ry single breath
```
