I will offer up my life

Key: D | Song Key: D | Capo: 0 | Notes:

```
D      D/F#         G
I will offer up my life
   A              D
In spirit and truth,
        D/F#            G
Pouring out the oil of love
      A               D
As my worship to You
   D/F#              G       A           D
In surrender I must give my every part;
      D/F#              G
Lord, receive the sacrifice
     A             D
Of a broken heart

D                  G      A            D
Jesus, what can I give, what can I bring
                   G              A        D
To so faithful a friend, to so loving a King?
                     G     A            D
Saviour, what can be said, what can be sung
                     G
As a praise of Your name
        A                D
For the things You have done?
                        Em    D/F#         G     D
Oh my words could not tell, not even in part
       Em      D/F#          G
Of the debt of love that is owed
  A                 D
By this thankful heart

D        D/F#        G
You deserve my every breath
           A               D
For You've paid the great cost;
       D/F#            G
Giving up Your life to death,
      A          D
Even death on a cross
   D/F#                  G             A           D
You took all my shame away, there defeated my sin
      D/F#              G
Opened up the gates of heaven
         A             D
And have beckoned me in

The Heart of Worship

Key: D | Song Key: E | Capo: -2 | Notes:

```
D                          A              Em
When the music fades, all is stripped away
               A
And I simply come
D                  A                          Em
Longing just to bring something that's of worth
                       A
That will bless Your heart

Em              D/F#          A
I'll bring You more than a song
                  Em                  D/F#          A
For a song in itself   is not what You have required
Em                D/F#     A
You search much deeper within
                          Em                        D       A
Through the way things appear, You're looking into my heart

D                         A/C#
I'm coming back to the heart of worship
              Em                 G           A    D
And it's all about You, it's all about You Jesus
D                                    A/C#
I'm sorry, Lord, for the thing I've made it
                 Em              G           A    D
When it's all about You, it's all about You Jesus

D                  A                 Em
King of endless worth no one could express
                  A
How much You deserve
D                  A                 Em
Though I'm weak and poor all I have is Yours
                       A
Ev'ry single breath
