The Heart of Worship

Key: E | Song Key: E | Capo: 2 | Notes:

```
E                          B              F#m
When the music fades, all is stripped away
               B
And I simply come
E                  B                        F#m
Longing just to bring something that's of worth
                       B
That will bless Your heart

F#m              E             B
I'll bring You more than a song
                 F#m                 E             B
For a song in itself   is not what You have required
F#m               E        B
You search much deeper within
                          F#m                       E       B
Through the way things appear, You're looking into my heart

E                         B
I'm coming back to the heart of worship
             F#m                A          B    E
And it's all about You, it's all about You Jesus
E                                 B
I'm sorry, Lord, for the thing I've made it
                F#m              A          B    E
When it's all about You, it's all about You Jesus

E                  B                F#m
King of endless worth no one could express
                   B
How much You deserve
E                  B                F#m
Though I'm weak and poor all I have is Yours
                       B
Ev'ry single breath
