          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                       G/B
I see His wounds, His hands, His feet
           D             G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
                D                Em
They laid Him down in Joseph's tomb
              C               G/B
The entrance sealed by heavy stone
        D                  G     Bm  C
Messiah still and all alone

Chorus:
  G                         C         G
O praise the Name of the Lord our God
  Em                    Dsus4  D

For endless days, we will sing Your praise

Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn

The Son of heaven rose again

O trampled death, where is your sting

The angels roar for Christ the King

            G
He shall return in robes of white

The blazing sun shall pierce the night
            C              G/B
And I will rise among the saints
            D                  G
My gaze transfixed on Jesus' face

How deep the Father's love for us

Key: | Song Key: D | Capo: 0 | Notes: Block 2

```
     D                  Em   D  G        D                Asus
How deep the Father's love for us, how vast beyond all measure
     D                   Em   G       D                 A    D
That he should give his only son, to make a wretch his treasure
                         Em      G        D                  Bm    A
How great the pain of searing loss, the Father turned his face away
    D                     Em     G          D           A   D
As wounds which mar the chosen one, bring many sons to glory

     D         Em   D  G        D                Asus
Behold the man upon a cross, my sin upon his shoulders
 D                   Em       G         D              A    D
Ashamed, I hear my mocking voice call out among the scoffers
                     Em   D     G    D              Bm    A
It was my sin that held him there until it was accomplished
    D                     Em  D   G       D                A   D
His dying breath has brought me life; I know that it is finished

 D                   Em D  G        D                 Asus
I will not boast in anything: no gifts, no power, no wisdom
  D                   Em   G          D              A    D
But I will boast in Jesus Christ; his death and resurrection
                         Em  D  G      D              Bm A
Why should I gain from his reward? I cannot give an answer
    D                   Em  D   G          D                  A   D
But this I know with all my heart: his wounds have paid my ransom

All my life you have been faithful

All my life you have been so, so good
                             G  D/F#  Em
With every breath that I am able
         C            D          G              G/B
I will sing of the goodness of God

[Bridge] x2
                  C
Your goodness is running after,
      D            G              G/B
It's running after me
                  C
Your goodness is running after,
      D            G
It's running after me
        G/B                      C
With my life laid down, I'm surrendered now
   D              Em             G
I give you everything
                  C
Your goodness is running after,

Amazing Grace (My Chains are gone)

Key: | Song Key: D | Capo: 0 | Notes: Final

```
 D                  G/D           D
Amazing Grace, how sweet the sound,
                           A/D
That saved a wretch like me.
  D         D/F#        G         D
I once was lost, but now am found,
                 A/D  D
Was blind but now I see.

      D                      G/D         D
'Twas Grace that taught my heart to fear,
                       A/D
And Grace my fears relieved.
    D         D/F#     G       D
How precious did that Grace appear,
             A/D        D
The hour I first believed.

   D/F#         G                     D/F#
My chains are gone, I've been set free,
            G/B                     D/A
My God, my Savior has ransomed me.
    D/F#   G                    D/F#
And like a flood His mercy rains,
          Em7    A7        D
Unending love, Amazing Grace.

    D                   G/D       D
The Lord has promised good to me,
                      A/D
His word my hope secures.
   D        D/F#        G        D
He will my shield and portion be,
            A/D       D
As long as life endures.

G/D        D           G/D              D
The earth shall soon dissolve like snow,
                      A/D
The sun forbear to shine.
    D       D/F#        G       D
But God who called me here below,
         A/D         D
Will be forever mine,
         A/D         D
Will be forever mine,
             A/D  D
You are forever mine.

Good Good Father

Key: E | Song Key: E | Capo: 0 | Notes: Communion

```
E                                   E
I've heard a thousand stories of what they think Your like
E                                        E
But I've heard the tender whisper of love in the dead of night
      A     E/G#m                              F#m7      B
You tell me that Your pleased and that I'm never alone

                            A
You're a good, good father
                     E                    F#m7          B
It's who You are, it's who You are, it's who You are
                     A
And I'm loved by you
                  E              F#m7          B
It's who I am, it's who I am, it's who I am

E                                 E
I've seen many searching for answers far and wide
E                                      E
But I know we're all searching for answers only you provide
          A            E/G#m                F#m7        B
Because You know just what we need before we say a word

A                                 C#m
You are perfect in all of your ways
F#m7                               E
You are perfect in all of your ways
A                                 C#m     B
You are perfect in all of your ways to us

E
Love so undeniable I can hardly speak
E
Peace so unexplainable I can hardly think
            A     E/D#
As You call me deeper still
            F#m7   E/D#
As You call me deeper still
            A     E/D#
As You call me deeper still
      F#m7    B
Into love love love
