Key: E | Song Key: E | Capo: 0 | Notes:

```
E                                                F#m       A
He's coming on the clouds kings and kingdoms will bow down
C#m                                          F#m          A
Every chain will break as broken hearts declare His praise
                    B
Who can stop the Lord Almighty

E                         B          C#m
Our God is a Lion the Lion of Judah
                    E                          A
He's roaring in power and fighting our battles
                          B
And every knee will bow before Him

E                           B          C#m
Our God is a Lamb the Lamb that was slain
                                    E                  A
For the sins of the world His blood breaks the chains
                          B                            A
And every knee will bow before the Lion and the Lamb
                    B            E
Every knee will bow before Him

E                                   F#mA
Open up the gate make way before the King of Kings
    C#m                                        F#m  A
The God who comes to save is here to set the captives free
                          B
For who can stop the Lord Almighty

F#m                 E
Who can stop the Lord Almighty
A                   B
Who can stop the Lord Almighty (repeat 3x)

The sun comes up, it's a new day dawning;
A             E             B     C#m
It's time to sing Your song again.
A             E                B           C#m
Whatever may pass, and whatever lies before us
A           E                  B     B  E   E     E
Let me be singing when the even- ing comes.

       A       E                  B        C#m
You're rich in love, and You're slow to anger.

For all Your goodness, I will keep on singing;
A             E                 B     B  E    E     E
Ten thousand reasons for my heart to find.

    A       E            B             C#m
And on that day when my strength is failing,
    A         E             B          C#m
The end draws near, and my time has come;
A        E                   B        C#m
Still my soul will sing your praise unending
A             E                   B      B  E  E     E
Ten thousand years and then fore - - vermore!

I'll worship Your holy name.
          A             B       E
Yes, I'll worship Your holy name

The Heart of Worship

Key: E | Song Key: E | Capo: 0 | Notes:

```
E                          B              F#m
When the music fades, all is stripped away
               B
And I simply come
E                  B                        F#m
Longing just to bring something that's of worth
                       B
That will bless Your heart

F#m              E             B
I'll bring You more than a song
                 F#m                 E             B
For a song in itself   is not what You have required
F#m               E        B
You search much deeper within
                          F#m                       E       B
Through the way things appear, You're looking into my heart

E                         B
I'm coming back to the heart of worship
             F#m                A          B    E
And it's all about You, it's all about You Jesus
E                                 B
I'm sorry, Lord, for the thing I've made it
                F#m              A          B    E
When it's all about You, it's all about You Jesus

E                  B                F#m
King of endless worth no one could express
                   B
How much You deserve
E                  B                F#m
Though I'm weak and poor all I have is Yours
                       B
Ev'ry single breath
```
