Verse 1

```
G         D                    Em            C
Blessed be Your name, In the land that is plentiful
            G             D                      C
Where Your streams of abundance flow, Blessed be Your name

G         D                      Em            C
Blessed be Your name, When I'm found in the desert place
          G                    D                   C
Though I walk through the wilderness, Blessed be Your name

G               D                   Em            C
Every blessing You pour out, I'll turn back to praise
G                                   D
When the darkness closes in
       Em          C
Lord still I will say

                G            D                        Em     C
Blessed be the name of the Lord, Blessed be Your name
                G            D                        Em       C
Blessed be the name of the Lord, Blessed be Your glorious name

G         D                      Em            C
Blessed be Your name, When the sun's shining down on me
           G               D                    C
When the world's all as it should be, Blessed be Your name

G          D                    Em                C
Blessed be Your name, On the road marked with suffering
                G             D                 C
Though there's pain in the offering, Blessed be Your name

     G             D          Em             C
You give and take away, You give and take away
      G                    D         Em               C
My heart will choose to say, Lord blessed be Your name

King of Kings

Key: C | Song Key: C | Capo: 0 | Notes:

```
       C                 F                 G             C
In the darkness, we were waiting, Without hope, without light
         C                 F                 G            C
Till from heaven, You came running, There was mercy in Your eyes
   C                 F               G               C
To fulfil the law and prophets, To a virgin came the word
       C                 F           G             C
From a throne of endless glory, To a cradle in the dirt

C                  F
Praise the Father, Praise the Son
Am                 G
Praise the Spirit, Three in one
C             F
God of glory, Majesty
Am                   G       C
Praise forever to the King of Kings

   C                 F               G             C
To reveal the kingdom coming, And to reconcile the lost
   C                F                G               C
To redeem the whole creation, You did not despise the cross
    C            F                 G             C
For even in your suffering, You saw to the other side
        C               F              G                C
Knowing this was our salvation, Jesus for our sake you died

        C                 F            G               C
And the morning that You rose, All of heaven held its breath
         C                   F             G                  C
Till that stone was moved for good, For the Lamb had conquered death
        C                   F              G               C
And the dead rose from their tombs, And the angels stood in awe
        C                 F            G          C
For the souls of all who'd come, To the Father are restored

        C                   F            G              C
And the church of Christ was born, Then the Spirit lit the flame
         C                F              G               C
Now this gospel truth of old, Shall not kneel, shall not faint
       C                F            G             C
By His blood and in His name, In His freedom I am free
        C              F               G           C
For the love of Jesus Christ, Who has resurrected me

all for love’s sake became poor.
