# I will offer up my life

Key: D | Song Key: D | Capo: 0 | Notes:

D        D/F#        G  
I will offer up my life  
A                    D  
In spirit and truth,  
D/F#                    G  
Pouring out the oil of love  
A                    D  
As my worship to You  
D/F#                    G                    A                    D  
In surrender I must give my every part;  
D/F#                    G  
Lord, receive the sacrifice  
A                    D  
Of a broken heart

D                    G                    A                    D  
Jesus, what can I give, what can I bring  
G                    A                    D  
To so faithful a friend, to so loving a King?  
G                    A                    D  
Saviour, what can be said, what can be sung  
G  
As a praise of Your name  
A                    D  
For the things You have done?  
Em        D/F#        G        D  
Oh my words could not tell, not even in part  
Em        D/F#        G  
Of the debt of love that is owed  
A                    D  
By this thankful heart

D        D/F#        G  
You deserve my every breath  
A                    D  
For You've paid the great cost;  
D/F#                    G  
Giving up Your life to death,  
A                    D  
Even death on a cross  
D/F#                    G                    A                    D  
You took all my shame away, there defeated my sin  
D/F#                    G  
Opened up the gates of heaven  
A                    D  
And have beckoned me in
