Good Good Father

Key: E | Song Key: E | Capo: 0 | Notes:

```
E                                   E
I've heard a thousand stories of what they think Your like
E                                        E
But I've heard the tender whisper of love in the dead of night
      A     E   m                            F#m       B
You tell me that Your pleased and that I'm never alone

                            A
You're a good, good father
                     E                    F#m           B
It's who You are, it's who You are, it's who You are
                     A
And I'm loved by you
                   E              F#m           B
It's who I am, it's who I am, it's who I am

E                                 E
I've seen many searching for answers far and wide
E                                      E
But I know we're all searching for answers only you provide
          A            E   m                F#m          B
Because You know just what we need before we say a word

A                                 C#m
You are perfect in all of your ways
F#m                                E
You are perfect in all of your ways
A                                 C#m     B
You are perfect in all of your ways to us

E
Love so undeniable I can hardly speak
E
Peace so unexplainable I can hardly think
            A     E
As You call me deeper still
            F#m    E
As You call me deeper still
            A     E
As You call me deeper still
      F#m     B
Into love love love

The splendour of the King

Verse 1:

```
 G                          Em
The splendor of the King, clothed in majesty,
                         C
Let all the earth rejoice, all the earth rejoice.

And trembles at his voice, trembles at his voice.

Beginning and the end, beginning and the end.

The Lion and the Lamb, the Lion and the Lamb.
