Good Good Father

I've heard a thousand stories of what they think Your like
But I've heard the tender whisper of love in the dead of night
You tell me that Your pleased and that I'm never alone

You're a good, good father
It's who You are, it's who You are, it's who You are
And I'm loved by you
It's who I am, it's who I am, it's who I am

I've seen many searching for answers far and wide
But I know we're all searching for answers only you provide
Because You know just what we need before we say a word

You are perfect in all of your ways
You are perfect in all of your ways
You are perfect in all of your ways to us

Love so undeniable I can hardly speak
Peace so unexplainable I can hardly think
As You call me deeper still
As You call me deeper still
As You call me deeper still
Into love love love

Here we are

Here we are, standing on the edge of something new
Lead us on, further than we've ever been before

Pre-Chorus
With hands held high,
Be glorified,
Our hearts now cry

Chorus
We are living for the Glory of the Lord
Hearts are open wide, we're ready for You
There's nothing we want more
You're all that we adore
Jesus, here we are, ready for You

Build my Life

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for you

Jesus a name above every other name
Jesus the only one that could ever save
Worthy of every breath we could ever breathe
We live for you
Oh, we live for you (holy)

[Chorus]
Holy there is no one like you
There is none besides you, open up my eyes in wonder
And show me who you are and fill me with your heart
And lead me in your love to those around me

[Bridge]
And I will build my life, upon your love
It is a firm foundation
I will put my trust, in you alone
And I will not be shaken

There must be more than this

There must be more than this, O breath of God come breathe within
There must be more than this, Spirit of God we wait for You
Fill us anew we pray, Fill us anew we pray

Consuming fire, fan into flame
A passion for your name
Spirit of God, fall in this place
Lord have your way, Lord have your way, With Us

Come like a rushing wind; Clothe us with power from on high
Now set the captives free; Leave us abandoned to your praise
Lord let your glory fall; Lord let your glory fall
