

# Good Good Father

I've heard a thousand stories of what they think You like  
But I've heard the tender whisper of love in the dead of night  
You tell me that You're pleased and that I'm never alone

You're a good, good father  
It's who You are, it's who You are, it's who You are  
And I'm loved by you  
It's who I am, it's who I am, it's who I am

I've seen many searching for answers far and wide  
But I know we're all searching for answers only you provide  
Because You know just what we need before we say a word

You are perfect in all of your ways  
You are perfect in all of your ways  
You are perfect in all of your ways to us

Love so undeniable I can hardly speak  
Peace so unexplainable I can hardly think  
As You call me deeper still  
As You call me deeper still  
As You call me deeper still  
Into love love love

# Here we are

Here we are, standing on the edge of something new  
Lead us on, further than we've ever been before

Pre-Chorus  
With hands held high,  
Be glorified,  
Our hearts now cry

Chorus  
We are living for the Glory of the Lord  
Hearts are open wide, we're ready for You  
There's nothing we want more  
You're all that we adore  
Jesus, here we are, ready for You

# What Hes Done

See on the hill of Calvary, My Savior bled for me  
My Jesus set me free  
Look at the wounds that give me life, Grace flowing from His side  
No greater sacrifice

What He's done, What He's done  
All the glory and the honor to the Son  
My sins are forgiven, My future is Heaven  
I praise God, For what He's done

Sing for the freedom He has won, Even death is dead and done  
His life has overcome  
Speak say the Name above all names, Over every broken place  
He is risen from the grave

Now on a throne of majesty, The Father's will complete  
He reigns in victory  
Sing hallelujah to the King, He is worthy to recieve  
All the worship we can bring

I praise God, For what He's done

# Build my Life

Worthy of every song we could ever sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breathe  
We live for you

Jesus a name above every other name  
Jesus the only one that could ever save  
Worthy of every breath we could ever breathe  
We live for you  
Oh, we live for you (holy)

[Chorus]  
Holy there is no one like you  
There is none besides you, open up my eyes in wonder  
And show me who you are and fill me with your heart  
And lead me in your love to those around me

[Bridge]  
And I will build my life, upon your love  
It is a firm foundation  
I will put my trust, in you alone  
And I will not be shaken

# There must be more than this

There must be more than this, O breath of God come breathe within  
There must be more than this, Spirit of God we wait for You  
Fill us anew we pray, Fill us anew we pray

Consuming fire, fan into flame  
A passion for your name  
Spirit of God, fall in this place  
Lord have your way, Lord have your way, With Us

Come like a rushing wind; Clothe us with power from on high  
Now set the captives free; Leave us abandoned to your praise  
Lord let your glory fall; Lord let your glory fall
