Key: E | Song Key: E | Capo: 0 | Notes:

```
E                                   E
I've heard a thousand stories of what they think Your like
E                                        E
But I've heard the tender whisper of love in the dead of night
      A     E   m                            F#m       B
You tell me that Your pleased and that I'm never alone

                            A
You're a good, good father
                     E                    F#m           B
It's who You are, it's who You are, it's who You are
                     A
And I'm loved by you
                   E              F#m           B
It's who I am, it's who I am, it's who I am

E                                 E
I've seen many searching for answers far and wide
E                                      E
But I know we're all searching for answers only you provide
          A            E   m                F#m          B
Because You know just what we need before we say a word

A                                 C#m
You are perfect in all of your ways
F#m                                E
You are perfect in all of your ways
A                                 C#m     B
You are perfect in all of your ways to us

E
Love so undeniable I can hardly speak
E
Peace so unexplainable I can hardly think
            A     E
As You call me deeper still
            F#m    E
As You call me deeper still
            A     E
As You call me deeper still
      F#m     B
Into love love love
```

Sing hallelujah to the King, He is worthy to recieve

All the worship we can bring
