Angels in bright raiment rolled the stone away,

Kept the folded grave clothes where Thy body lay.
```

For her Lord now liveth, death hath lost its sting.

Verse 3:
```
C                        G                  G
No more we doubt Thee, glorious Prince of life;

Bring us safe through Jordan to Thy home above.

# Living Hope

**Key: G | Song Key: A | Capo: -2 | Notes: Capo 2 (G)**

```
                G            D
How great the chasm that lay between us
             C    Em       D
How high the mountain   I could not climb
         G              D
In desperation I turned to heaven
               C  D  G
And spoke your name into the night

                  C               G
Then through the darkness your loving kindness
                  Em       D
Tore through the shadows of my soul
             G             D
The work is finished the end is written
       C     D  G
Jesus Christ my Living Hope

            G             D
Who could imagine so great a mercy
                  C            Em           D
What heart could fathom    such boundless grace
            G                  D
The God of Ages stepped down from Glory
            C        D       G
To wear my sin and bear my shame

                C         G
The cross has spoken I am forgiven
             Em           D
The King of Kings calls me His own

Jesus Christ my Living Hope

              G                   D
Then came the morning that sealed the promise
            C        Em     D
Your buried body    began to breathe
            G               D
Out of the silence the Roaring Lion
              C        D    G
Declared the grave has no claim on me

[second time end]

# King of Kings

**Key: C | Song Key: C | Capo: 0 | Notes: Capo 2 (C)**

```
       C                 F                 G             C
In the darkness, we were waiting, Without hope, without light
         C                 F                 G            C
Till from heaven, You came running, There was mercy in Your eyes
   C                 F               G               C
To fulfil the law and prophets, To a virgin came the word
       C                 F           G             C
From a throne of endless glory, To a cradle in the dirt

C                  F
Praise the Father, Praise the Son
Am                 G
Praise the Spirit, Three in one
C             F
God of glory, Majesty
Am                   G       C
Praise forever to the King of Kings

   C                 F               G             C
To reveal the kingdom coming, And to reconcile the lost
   C                F                G               C
To redeem the whole creation, You did not despise the cross
    C             F                 G             C
For even in your suffering, You saw to the other side
        C               F               G                C
Knowing this was our salvation, Jesus for our sake you died

        C                 F             G               C
And the morning that You rose, All of heaven held its breath
          C                   F             G                  C
Till that stone was moved for good, For the Lamb had conquered death
        C                   F              G               C
And the dead rose from their tombs, And the angels stood in awe
        C                 F             G          C
For the souls of all who'd come, To the Father are restored

        C                   F             G              C
And the church of Christ was born, Then the Spirit lit the flame
         C                F              G               C
Now this gospel truth of old, Shall not kneel, shall not faint
       C                 F            G             C
By His blood and in His name, In His freedom I am free
        C               F               G           C
For the love of Jesus Christ, Who has resurrected me

Where Jesus bled and died for me

I see His wounds, His hands, His feet
           D             G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
                D                Em
They laid Him down in Joseph's tomb
              C               G
The entrance sealed by heavy stone
        D                  G      Bm  C
Messiah still and all alone

Chorus:
  G                         C          G
O praise the Name of the Lord our God
  Em                    D       D
O praise His Name forever - more
    G                         C           Em
For endless days, we will sing Your praise
   C         D      D   G       Bm    C
Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn
            D           Em
The Son of heaven rose again
            C                    G
O trampled death, where is your sting
           D                      G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                    Em
The blazing sun shall pierce the night
            C              G
And I will rise among the saints
            D                   G
My gaze transfixed on Jesus' face

```
C
My hope is built on nothing less
F                                G
Than Jesus' blood and righteousness
Am                      Am
I dare not trust the sweetest frame
F            G                  C
But wholly trust in Jesus' name

         F       Am      G
Christ alone, Cornerstone
C           F                Am        G
Weak made strong in the Savior's love
C              F
Through the storm
Am    G
He is Lord
               C
Lord of all

C
When darkness seems to hide His face
F                  G
I rest on His unchanging grace
Am                   Am
In every high and stormy gale
F            G                  C
My anchor holds within the veil
F            G                  C
My anchor holds within the veil

C
When he shall come with trumpet sound
F                    G
Oh may I then in Him be found
Am                         Am
Dressed in His righteousness alone
F            G                      C
Faultless, stand before the throne
