Verse 1

```
A         E                    F#m             D
Blessed be Your name, In the land that is plentiful
             A              E                      D
Where Your streams of abundance flow, Blessed be Your name

A         E                       F#m            D
Blessed be Your name, When I'm found in the desert place
          A                    E                    D
Though I walk through the wilderness, Blessed be Your name

A                E                    F#m            D
Every blessing You pour out, I'll turn back to praise
A                                  E
When the darkness closes in
        F#m          D
Lord still I will say

                 A             E                        F#m     D
Blessed be the name of the Lord, Blessed be Your name
                 A             E                        F#m       D
Blessed be the name of the Lord, Blessed be Your glorious name

A         E                       F#m             D
Blessed be Your name, When the sun's shining down on me
            A                 E                      D
When the world's all as it should be, Blessed be Your name

A          E                    F#m                  D
Blessed be Your name, On the road marked with suffering
                 A             E                  D
Though there's pain in the offering, Blessed be Your name

      A             E          F#m              D
You give and take away, You give and take away
       A                    E         F#m               D
My heart will choose to say, Lord blessed be Your name
```
