You alone can rescue

Key: | Song Key: A | Capo: 0 | Notes:

```
A                        D       A
Who, oh Lord, could save themselves,
  D         A          E
Their own sin could heal?
    F#m          A      D       A
Our shame was deeper than the sea

Your love is deeper still

Lord Let Your Glory Fall

Key: G | Song Key: D | Capo: 5 | Notes:

```
G               G     C
Lord let Your glory fall,
G             C
As on that ancient day
Em           G     C
Songs of enduring love,
Am              C     G
And then Your glory came
G          G       C
And as a sign to You,
G              C
That we would love the same,
Em              G           C
Our hearts will sing that song,
Am              C     G
God, let Your glory come

         G
You are good, You are good,
          C
And Your love endures
         G
You are good, You are good,
          C
And Your love endures
         Em             G
You are good, You are good,
          C             G     C
And Your love endures today
```

Voices in unison,
Giving You thanks and praise
Joined by the instruments,
And then Your glory came
Your presence like a cloud,
Upon that ancient day,
The priests were overwhelmed,
Because Your glory came

A sacrifice was made,
And then Your fire came,
They knelt upon the ground,
And with one voice they praised

The Stand

Key: | Song Key: G | Capo: 0 | Notes:

```
G                              C
You stood before creation, Eternity in your hand
G                            Em                        C
You spoke the earth into motion, My soul, now to stand

G                                C
You stood before my failure, And carried the cross for my shame
G                               Em                              C
My sin weighed upon your shoulders, My soul, now to stand

                  Am                          Em
So what could I say?, And what could I do?
                Am              D                Em
But offer this heart oh God, Completely to you

G                                C
So I'll walk upon salvation, Your spirit alive in me
G                              Em                           C
This life to declare your promise, My soul now to stand

Refrain:
C   G             D                 G
I'll stand, With arms high and heart abandoned
C   G          D       G          C
In awe of the one who gave it all
C   G            D              G
I'll stand, My soul Lord to you surrendered
C    G         D
All I am is yours
```
