Simplicity

Key: E | Song Key: C | Capo: 4 | Notes:

I come in simplicity, longing for purity
to worship You in Spirit and truth, only You.
Lord, strip it all away, till only You remain.
I'm coming back to my first love, only You.

You're the reason I sing,
the reason I sing.

Yes, my heart will sing
how I love You.

And forever I'll sing,
forever I'll sing.

Yes, my heart will sing
how I love You.

I come with my broken song, to You, the perfect One,
to worship You in Spirit and truth, only You.
Give me a child-like heart, lead me to where You are.
I'm coming back to my first love, only You.

How I love You, how I love You,
How I love You, my first love.
How I love You, how I love You,
How I love You, my first love.
