

# Let our praise be Your welcome

Let our praise be Your welcome, Let our songs be a sign  
We are here for You, we are here for You  
Let Your breath come from heaven, Fill our hearts with Your life  
We are here for You, we are here for You

To You our hearts are open, nothing here is hidden  
You are our one desire  
You alone are holy, only You are worthy  
God, let Your fire fall down

Let our shout be Your anthem, Your renown fill the skies  
We are here for You, we are here for You  
Let Your Word move in power, Let what's dead come to life  
We are here for You, we are here for You

We welcome You with praise, We welcome You with praise  
Almighty God of love, Be welcomed in this place  
Let every heart adore, Let every soul awake  
Almighty God of love, Be welcomed in this place

# When the Music Fades

When the music fades, all is stripped away  
And I simply come  
Longing just to bring something that's of worth  
That will bless Your heart

I'll bring You more than a song  
For a song in itself is not what You have required  
You search much deeper within  
Through the way things appear, You're looking into my heart

I'm coming back to the heart of worship  
And it's all about You, it's all about You Jesus  
I'm sorry, Lord, for the thing I've made it  
When it's all about You, it's all about You Jesus

King of endless worth no one could express  
How much You deserve  
Though I'm weak and poor all I have is Yours  
Ev'ry single breath

# How great Thou art!

O Lord my God, When I in awesome wonder,  
consider all the Worlds Thy hand hath made.  
I see the stars, I hear the rolling thunder  
Thy pow'r throughout the universe displayed

Then sings my soul, my Savior God, to Thee  
How great Thou art! How great Thou art!  
Then sings my soul, my Savior God, to Thee  
How great Thou art! How great Thou art!

And when I think that God, His Son not sparing  
Sent Him to die, I scarce can take it in  
That on the cross, my burden gladly bearing  
He bled and died to take away my sin

When Christ shall come, with shouts of acclamation  
And take me home, what joy shall fill my heart  
Then I shall bow in humble adoration  
And there proclaim, My God, how great You are!

# Praise

G C G  
I'll praise in the valley, Praise on the mountain  
D C G

G C G

D/F# C G  
Cause praise is the waters, My enemies drown in  
D C  
As long as I'm breathing, I've got a reason to

Em C G D

Em C G D

D/F# C G
