The Heart of Worship

Key: D | Song Key: E | Capo: -2 | Notes:

```
D                          A              Em
When the music fades, all is stripped away
               A
And I simply come
D                  A                          Em
Longing just to bring something that's of worth
                       A
That will bless Your heart

Em              D             A
I'll bring You more than a song
                  Em                  D             A
For a song in itself   is not what You have required
Em                D         A
You search much deeper within
                          Em                         D       A
Through the way things appear, You're looking into my heart

D                         A
I'm coming back to the heart of worship
              Em                 G           A    D
And it's all about You, it's all about You Jesus
D                                    A
I'm sorry, Lord, for the thing I've made it
                 Em              G           A    D
When it's all about You, it's all about You Jesus

D                  A                  Em
King of endless worth no one could express
                  A
How much You deserve
D                  A                  Em
Though I'm weak and poor all I have is Yours
                       A
Ev'ry single breath

How great Thou art!

Key: G | Song Key: A | Capo: -2 | Notes:

```
            G                C
O Lord my God, When I in awesome wonder,
          G                    D          G
consider all the Worlds Thy hand hath made.
            G                  C
I see the stars, I hear the rolling thunder
                G              D         G
Thy pow'r throughout the universe displayed

                G         C             G
Then sings my soul, my Savior God, to Thee
                Am                      G
How great Thou art! How great Thou art!
                          C                 G
Then sings my soul, my Savior God, to Thee
                Am     C                  G
How great Thou art! How great Thou art!

              G                     C
And when I think that God, His Son not sparing
               G                   D        G
Sent Him to die, I scarce can take it in
                G                  C
That on the cross, my burden gladly bearing
               G               D        G
He bled and died to take away my sin

                     G                          C
When Christ shall come, with shouts of acclamation
              G                        D          G
And take me home, what joy shall fill my heart
               G                  C
Then I shall bow in humble adoration
               G                        D           G
And there proclaim, My God, how great You are!

Praise

Key: B | Song Key: G | Capo: 4 | Notes:

```
      B                      E             B
I'll praise in the valley, Praise on the mountain
       F#              E                    B
I'll praise when I'm sure, Praise when I'm doubting
       B                        E               B
I'll praise when outnumbered, Praise when surrounded
      F#                E             B
Cause praise is the waters, My enemies drown in
    F#                   E
As long as I'm breathing, I've got a reason to

G#m   E      B          F#
Praise the Lord, Oh my soul
G#m   E      B          F#
Praise the Lord, Oh my soul

       B                           E             B
I'll praise when I feel it, I'll praise when I don't
       F#                          E           B
I'll praise cause I know, You're still in control
     B                        E           B
My praise is a weapon, It's more than a sound
   F#               E                     B
My praise is the shout, That brings Jericho down
    F#                      E
As long as I'm breathing, I've got a reason to

G#m   E      B          F#
Praise the Lord, Oh my soul
G#m   E      B          F#
Praise the Lord, Oh my soul
G#m                   E
I won't be quiet, My God is alive
 B                    F#
How could I keep it inside
G#m   E      B          F#
Praise the Lord, Oh my soul

B
I'll praise cause You're sovereign, Praise cause You reign
B
Praise cause You rose and defeated the grave
B
I'll praise cause You're faithful, Praise cause You're true
B
Praise cause there's nobody greater than You
       B                           C#m
I'll praise cause You're sovereign, Praise cause You reign
B                             E
Praise cause You rose and defeated the grave
       B                           C#m
I'll praise cause You're faithful, Praise cause You're true
B                             E
Praise cause there's nobody greater than You
