This is Our God

Key: G | Song Key: C | Capo: 7 | Notes:

```
G                                    G       G
Remember those walls that we called sin and shame?
Em                                Emb6       Em
They were like prisons that we couldn't escape.
        D                              C                                G G     G
But He came, and He died, and He rose. Those walls are rubble now.
G                                   G         G
Remember those giants we called death and grave?
Em                                Emb6         Em
They were like mountains that stood in our way.
       D                               C                                G G     G
But He came, and He died, and He rose. Those giants are dead now.

G           C                      G      D
This is our God, this is who He is, He loves us.
G           C                       G        D
This is our God, this is what He does, He saves us.
   G        C                  G           D                       Em
He bore the cross, beat the grave, let heaven and earth pro-claim,
D           C          D
this is our God, King Jesus.

G                                    G        G
Remember that fear that took our breath a-way?
Em                             Emb6   Em
Faith so weak that we could barely pray.
       D                             C
But He heard, Every word, every whisper.
G                         G      G
Now those altars in the wilder-ness.
Em                       Emb6    Em
Tell the story of His faithfulness.
      D                              C          G
Never once, did He fail, and He never will.

C                                              D    G
Who pulled me out of that pit? He did. He did.
G                                               G   C
Who paid for all of our sins? Nobody but Jesus.
C                                              D    G
Who pulled me out of that pit? He did. He did.
G                                               G   C
Who paid for all of our sins? Nobody but Jesus.
C                                            D    G
Who rescued me from that grave? Yahweh. Yahweh.
G                                              G   C
Who gets the glory and praise? Nobody but Jesus.
C                                            D    Em
Who rescued me from that grave? Yahweh. Yahweh.
Em                                 D
Who gets the glory and praise? Nobody but Him.

Worthy of it all

Key: E | Song Key: G | Capo: -3 | Notes:

```
A                    B  A
All the saints and angels
     A                 B  A
They bow before Your throne
A               B  A
All the elders cast their crowns

Before the Lamb of God and sing

                         E
You are worthy of it all,
                          B
You are worthy of it all
                         A
For from You are all things,
                         B
and to You are all things
                    E
You deserve the glory

A                    B  A
All the saints and angels
     A                 B  A
They bow before Your throne
A               B  A
All the elders cast their crowns
            A       B       E
Before the Lamb of God and sing

[Bridge]
E                                      B
Day and night, night and day, let incense arise
C#m                                     A
Day and night, night and day, let incense arise

I will offer up my life

Key: D | Song Key: D | Capo: 0 | Notes:

```
D      D            G
I will offer up my life
   A              D
In spirit and truth,
        D               G
Pouring out the oil of love
      A               D
As my worship to You
   D                 G       A           D
In surrender I must give my every part;
      D                 G
Lord, receive the sacrifice
     A             D
Of a broken heart

D                  G      A            D
Jesus, what can I give, what can I bring
                   G              A        D
To so faithful a friend, to so loving a King?
                     G     A            D
Saviour, what can be said, what can be sung
                     G
As a praise of Your name
        A                D
For the things You have done?
                        Em    D            G     D
Oh my words could not tell, not even in part
       Em      D             G
Of the debt of love that is owed
  A                  D
By this thankful heart

D        D           G
You deserve my every breath
           A               D
For You've paid the great cost;
       D               G
Giving up Your life to death,
      A          D
Even death on a cross
   D                    G             A           D
You took all my shame away, there defeated my sin
      D                 G
Opened up the gates of heaven
         A             D
And have beckoned me in
```

E                    E     E               B         C#m
See on the hill of Calvary, My Savior bled for me

My Jesus set me free
E                          E         E                    B         C#m

Look at the wounds that give me life, Grace flowing from His
side
   A             E
No greater sacrifice

What He's done, What He's done
        A                           E
All the glory and the honor to the Son
             E                          A
My sins are forgiven, My future is Heaven
          E    B                 E     E   E    E
I praise God,    For what He's done

E                      A     E                      B         C#m
Sing for the freedom He has won, Even death is dead and done
    A            E
His life has overcome
E                     A         E                    B      C#m
Speak say the Name above all names, Over every broken place
      A              E
He is risen from the grave

E                    A   E                    B    C#m
Now on a throne of majesty, The Father's will complete
   A         E
He reigns in victory
E                  A      E                    B    C#m
Sing hallelujah to the King, He is worthy to recieve
        A              E
All the worship we can bring

          E    B                 E     E   E     E
I praise God,    For what He's done
