O Praise The Name

Key: G | Song Key: G | Capo: 0 | Notes:

```
          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                        G
I see His wounds, His hands, His feet
           D            G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
                D                Em
They laid Him down in Joseph's tomb
              C               G
The entrance sealed by heavy stone
        D                  G     Bm  C
Messiah still and all alone

Chorus:
  G                         C         G
O praise the Name of the Lord our God
  Em                    D       D
O praise His Name forever - more
    G                         C          Em
For endless days, we will sing Your praise
   C         D     D   G       Bm   C
Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn
            D           Em
The Son of heaven rose again
            C                   G
O trampled death, where is your sting
           D                     G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                   Em
The blazing sun shall pierce the night
            C              G
And I will rise among the saints
            D                  G
My gaze transfixed on Jesus' face
```

For your mercy never fails me
D      Em              C              D
All my days, I've been held in your hands
                        Em             C
From the moment that I wake up
                 G D    Em
Till I lay my head
         C             D          G               C
I will sing of the goodness of God

                               G               C
All my life you have been faithful
                              G       D              C
All my life you have been so, so good
                              G D    Em
With every breath that I am able
          C           D          G
I will sing of the goodness of God

             G
I love your voice
           C                    G
You have led me through the fire
    D       Em            C              D
In darkest night you are close like no other
                        Em              C
I've known you as a father
                         G D    Em
I've known you as a friend
          C             D          G               C
I have lived in the goodness of God

                   C
Your goodness is running after,
      D             G              G
It's running after me
                   C
Your goodness is running after,
      D             G
It's running after me
         G                         C
With my life laid down, I'm surrendered now
   D              Em              G
I give you everything
                   C
Your goodness is running after,
      D             G              C
It's running after me

```
G   Gmaj9/B   C     D
All heaven  declares,
    D             C     G
The glory of the risen Lord.
G   Gmaj9/B    C    D
Who can     compare,
D               C     G
With the beauty of the Lord.

   G            C                      D
Forever He will be (forever He will be)
    D             G            D             Em
The Lamb upon the throne (the Lamb upon the throne)
  Em            Am                       D
I gladly bow my knee (I gladly bow my knee)
    D             C
And worship Him alone.

G  Gmaj9/B   C     D
I  will   proclaim,
    D             C     G
The glory of the risen Lord.
G   Gmaj9/B  C     D
Who once was slain,
   D          C      G
To reconcile man to God
```

How great Thou art!

Key: G | Song Key: A | Capo: -2 | Notes:

```
            G                C
O Lord my God, When I in awesome wonder,
          G                    D          G
consider all the Worlds Thy hand hath made.
            G                  C
I see the stars, I hear the rolling thunder
                G              D         G
Thy pow'r throughout the universe displayed

                G         C             G
Then sings my soul, my Savior God, to Thee
                Am                      G
How great Thou art! How great Thou art!
                          C                 G
Then sings my soul, my Savior God, to Thee
                Am     C                  G
How great Thou art! How great Thou art!

              G                     C
And when I think that God, His Son not sparing
               G                   D        G
Sent Him to die, I scarce can take it in
                G                  C
That on the cross, my burden gladly bearing
               G               D        G
He bled and died to take away my sin

                     G                          C
When Christ shall come, with shouts of acclamation
              G                        D          G
And take me home, what joy shall fill my heart
               G                  C
Then I shall bow in humble adoration
               G                        D           G
And there proclaim, My God, how great You are!
