Blessed be Your Name

Key: | Song Key: G | Capo: 0 | Notes: Block

Verse 1

```
G         D                    Em            C
Blessed be Your name, In the land that is plentiful
            G             D                      C
Where Your streams of abundance flow, Blessed be Your name

G         D                      Em            C
Blessed be Your name, When I'm found in the desert place
          G                    D                   C
Though I walk through the wilderness, Blessed be Your name

G               D                   Em            C
Every blessing You pour out, I'll turn back to praise
G                                  D
When the darkness closes in
       Em          C
Lord still I will say

                G            D                        Em     C
Blessed be the name of the Lord, Blessed be Your name
                G            D                        Em       C
Blessed be the name of the Lord, Blessed be Your glorious name

G         D                      Em            C
Blessed be Your name, When the sun's shining down on me
           G               D                    C
When the world's all as it should be, Blessed be Your name

G          D                    Em                C
Blessed be Your name, On the road marked with suffering
                G             D                 C
Though there's pain in the offering, Blessed be Your name

     G             D          Em             C
You give and take away, You give and take away
      G                    D         Em              C
My heart will choose to say, Lord blessed be Your name
