```
   G
We worship the God who was
   G
We worship the God who is
   G                    Em  D        C
We worship the God who evermore will be
   G
He opened the prison doors
   G
He parted the raging sea
   G      Em        D    C
My God, He holds the victory

G
There's joy in the house of the Lord
G                                 D       C
There's joy in the house of the Lord today

And we won't be quiet
            D
We shout out Your praise
G
There's joy in the house of the Lord
                  D      C
Our God is surely in this place

And we won't be quiet
                       G                         D
We shout out Your praise    (We shout out Your praise)

   G
We sing to the God who heals
   G
We sing to the God who saves
   G                    Em     D      C
We sing to the God who always makes a way
            G
'Cause He hung up on that Cross
        Am
Then He rose up from that grave
   Em          D              C
My God's still rolling stones away

            G
We were the beggars
         G
Now we're royalty
            G
We were the prisoners
         G
Now we're running free
         Em
We are forgiven, accepted
  C           G
Redeemed by His grace
        D            C        G
Let the house of the Lord sing praise
```
