O Praise The Name

Key: G | Song Key: G | Capo: 0 | Notes:

```
          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                        G
I see His wounds, His hands, His feet
           D            G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
                D                Em
They laid Him down in Joseph's tomb
              C               G
The entrance sealed by heavy stone
        D                  G     Bm  C
Messiah still and all alone

Chorus:
  G                         C         G
O praise the Name of the Lord our God
  Em                    D       D
O praise His Name forever - more
    G                         C          Em
For endless days, we will sing Your praise
   C         D     D   G       Bm   C
Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn
            D           Em
The Son of heaven rose again
            C                   G
O trampled death, where is your sting
           D                     G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                   Em
The blazing sun shall pierce the night
            C              G
And I will rise among the saints
            D                  G
My gaze transfixed on Jesus' face
```

In Christ Alone

Key: D | Song Key: D | Capo: 0 | Notes:

```
          D       G        A
In Christ alone my hope is found,
D         G           A          D
He is my light, my strength, my song;
     G     D           G       A
This Cornerstone, this solid Ground,
D                  G        A          D
Firm through the fiercest drought and storm.
     D           G         D          A
What heights of love, what depths of peace,
     D          G              D         A
When fears are stilled, when strivings cease!
   G     D       G      A
My Comforter, my All in All,
D            G        A        D
Here in the love of Christ I stand.

   G       D          G       A
In Christ alone! Who took on flesh
D           G     A        D
Fulness of God in helpless babe!
     G        D        G       A
This gift of love and righteousness
D              G        A       D
Scorned by the ones he came to save:
     D        G       D      A
Till on that cross as Jesus died,
    D         G      D     A
The wrath of God was satisfied
    G     D      G        A
For every sin on Him was laid;
D           G          A       D
Here in the death of Christ I live.

      G        D        G     A
There in the ground His body lay
D              G          A        D
Light of the world by darkness slain:
      G        D        G        A
Then bursting forth in glorious Day
D           G         A     D
Up from the grave he rose again!
    D      G       D      A
And as He stands in victory
      D          G       D        A
Sin's curse has lost its grip on me,
    G     D      G      A
For I am His and He is mine
D                  G        A         D
Bought with the precious blood of Christ.

   G         D        G        A
No guilt in life, no fear in death,
D            G         A       D
This is the power of Christ in me;
     G              D      G      A
From life's first cry to final breath.
D      G           A    D
Jesus commands my destiny.
   D         G       D          A
No power of hell, no scheme of man,
    D      G       D        A
Can ever pluck me from His hand;
     G      D       G        A
Till He returns or calls me home,
D            G         A          D
Here in the power of Christ I'll stand.

Angels in bright raiment rolled the stone away,

Kept the folded grave clothes where Thy body lay.
