Amazing Grace (My Chains are gone)

Key: | Song Key: D | Capo: 0 | Notes: Play in D

```
 D                  G             D
Amazing Grace, how sweet the sound,
                           A
That saved a wretch like me.
  D         D           G         D
I once was lost, but now am found,
                  A    D
Was blind but now I see.

      D                      G           D
'Twas Grace that taught my heart to fear,
                         A
And Grace my fears relieved.
    D         D         G       D
How precious did that Grace appear,
             A           D
The hour I first believed.

   D            G                      D
My chains are gone, I've been set free,
            G                        D
My God, my Savior has ransomed me.
    D       G                      D
And like a flood His mercy rains,
          Em     A         D
Unending love, Amazing Grace.

    D                    G         D
The Lord has promised good to me,
                       A
His word my hope secures.
   D        D           G        D
He will my shield and portion be,
            A         D
As long as life endures.

G          D           G                 D
The earth shall soon dissolve like snow,
                       A
The sun forbear to shine.
    D       D           G       D
But God who called me here below,
         A           D
Will be forever mine,
         A           D
Will be forever mine,
             A    D
You are forever mine.

THE LORD’S MY SHEPHERD, I’ll not want.

His goodness restores my soul.

D                       A      D
And I will trust in You alone.
                       G      A      A

For Your endless   mercy  follows me,

Your goodness will lead  me home.

D                        A         D
He guides my ways in righteousness,
                      G          A     A
And He anoints my head with oil,
       G       A      A  D         G
And my cup, it   overflows with joy,
  Em            A      A  D
I feast on His pure  delights.

D                         A        D
And though I walk the darkest path,

I will not fear the evil one,
             G         A      A    D        G

O Praise The Name

Key: E | Song Key: G | Capo: -3 | Notes: Capo 2

```
          E
I cast my mind to Calvary
             B                C#m
Where Jesus bled and died for me
           A                        E
I see His wounds, His hands, His feet
           B            E          G#m  A
My Saviour on that cursed tree

          E
His body bound and drenched in tears
                B                C#m
They laid Him down in Joseph's tomb
              A                E
The entrance sealed by heavy stone
        B                  E     G#m  A
Messiah still and all alone

Chorus:
  E                         A         E
O praise the Name of the Lord our God
  C#m                     B       B
O praise His Name forever - more
    E                           A          C#m
For endless days, we will sing Your praise
   A         B     B   E       G#m   A
Oh Lord, oh Lord  our God

            E
Then on the third, at break of dawn
            B           C#m
The Son of heaven rose again
            A                    E
O trampled death, where is your sting
           B                     E
The angels roar for Christ the King

            E
He shall return in robes of white
             B                   C#m
The blazing sun shall pierce the night
            A             E
And I will rise among the saints
            B                  E
My gaze transfixed on Jesus' face
