The Heart of Worship

Key: | Song Key: E | Capo: 0 | Notes:

```
E                          B              F#m
When the music fades, all is stripped away
                B
And I simply come
E                   B                        F#m
Longing just to bring something that's of worth
                        B
That will bless Your heart

F#m               E              B
I'll bring You more than a song
                  F#m                  E              B
For a song in itself   is not what You have required
F#m                E         B
You search much deeper within
                           F#m                        E        B
Through the way things appear, You're looking into my heart

E                          B
I'm coming back to the heart of worship
              F#m                  A           B    E
And it's all about You, it's all about You Jesus
E                                  B
I'm sorry, Lord, for the thing I've made it
                 F#m               A           B    E
When it's all about You, it's all about You Jesus

E                   B                  F#m
King of endless worth no one could express
                  B
How much You deserve
E                   B                  F#m
Though I'm weak and poor all I have is Yours
                        B
Ev'ry single breath
```

Build my Life

Key: | Song Key: E | Capo: 0 | Notes:

```
E                    A
Worthy of every song we could ever sing
E                          A
Worthy of all the praise we could ever bring
E                    A
Worthy of every breath we could ever breathe
             E              A
We live for you

E                   A
Jesus a name above every other name
E                   A
Jesus the only one that could ever save
E                    A
Worthy of every breath we could ever breathe
             E
We live for you
                  A
Oh, we live for you (holy)

[Chorus]
A                       F#m
Holy there is no one like you
                     E                      C#m
There is none besides you, open up my eyes in wonder
      A                          F#m
And show me who you are and fill me with your heart
    E                            C#m
And lead me in your love to those around me

[Bridge]
   A                 B                  C#m
And I will build my life, upon your love
         E
It is a firm foundation
A              B                C#m
I will put my trust, in you alone
            E
And I will not be shaken
```

```
E                    E     E               B         C#m
See on the hill of Calvary, My Savior bled for me

My Jesus set me free
E                          E         E                    B         C#m

Look at the wounds that give me life, Grace flowing from His
side
   A             E
No greater sacrifice

What He's done, What He's done
        A                           E
All the glory and the honor to the Son
             E                          A
My sins are forgiven, My future is Heaven
          E    B                 E     E   E    E
I praise God,    For what He's done

E                      A     E                      B         C#m
Sing for the freedom He has won, Even death is dead and done
    A            E
His life has overcome
E                     A         E                    B      C#m
Speak say the Name above all names, Over every broken place
      A              E
He is risen from the grave

E                    A   E                    B    C#m
Now on a throne of majesty, The Father's will complete
   A         E
He reigns in victory
E                  A      E                    B    C#m
Sing hallelujah to the King, He is worthy to recieve
        A              E
All the worship we can bring

          E    B                 E     E   E     E
I praise God,    For what He's done

His Name is Jesus

Key: | Song Key: E | Capo: 0 | Notes:

```
                        E
The King is in the room
                                          A
Come see the scars of love upon His hands
                        E
The King is in the room
                                                A
We'll watch the darkness flee at His command
                  C#m
Who is this King?
                  B
Who is this King?

               A                    C#m
His name is Jesus, His name is Jesus
                  E                                B
Light of the world, there's freedom in His name
              A                    C#m
Awesome in power, reigning forever
                  E                                B
Light of the world, there's freedom in His name

                        E
The Healer's in the room
                                        A
Let miracles break out across this place
                        E
The Savior's in the room
                                          A
No soul beyond the boundaries of His grace
         C#m                            B
There's resurrection power in His name

[Bridge]
                      A          E
There's never been a love so great
            B         C#m
He died so we could live
                   A           E
Then He rose up from that grave
               B           C#m
Name another king like this
           A      E
Now all authority
           B         C#m
Forever belongs to Him
               A      E
He reigns in victory
               B           C#m
Name another king like this

Living Hope

Key: A | Song Key: G | Capo: 2 | Notes:

```
              A            E
How great the chasm that lay between us
             D    F#m        E
How high the mountain   I could not climb
         A              E
In desperation I turned to heaven
               D  E  A
And spoke your name into the night
                 D                A
Then through the darkness your loving kindness
                 F#m        E
Tore through the shadows of my soul
            A               E
The work is finished the end is written
       D     E  A
Jesus Christ my Living Hope

           A             E
Who could imagine so great a mercy
                 D  F#m            E
What heart could fathom    such boundless grace
           A                   E
The God of Ages stepped down from Glory
           D   E   A
To wear my sin and bear my shame
                 D         A
The cross has spoken I am forgiven
            F#m             E
The King of Kings calls me His own
          A               E
Beautiful Savior I'm yours forever
       D     E  A
Jesus Christ my Living Hope

     D  A             E            F#m
Hallelujah praise the One who set me free

Hallelujah death has lost its grip on me
          D        A            E          F#m
You have broken every chain there's salvation in your Name
       D     E  A
Jesus Christ my Living Hope

              A                        E
Then came the morning that sealed the promise
             D   F#m          E
Your buried body    began to breathe
           A                   E
Out of the silence the Roaring Lion
             D             E       A
Declared the grave has no claim on me
       D           E    A
Jesus Yours is the victory
