```
E                                                F#m       A
He's coming on the clouds kings and kingdoms will bow down
C#m                                          F#m          A
Every chain will break as broken hearts declare His praise

Who can stop the Lord Almighty

E                         B          C#m
Our God is a Lion the Lion of Judah
                    E                          A
He's roaring in power and fighting our battles
                          B
And every knee will bow before Him

E                           B          C#m
Our God is a Lamb the Lamb that was slain
                                    E                  A
For the sins of the world His blood breaks the chains
                          B                            A
And every knee will bow before the Lion and the Lamb
                    B            E
Every knee will bow before Him

E                                   F#mA
Open up the gate make way before the King of Kings
    C#m                                        F#m  A
The God who comes to save is here to set the captives free
                          B
For who can stop the Lord Almighty

F#m                 E
Who can stop the Lord Almighty
A                   B
Who can stop the Lord Almighty (repeat 3x)

Holy, Holy, Holy

Key: A | Song Key: A | Capo: 0 | Notes:

A F#m E A D A
Holy, holy, holy! Lord God Almighty!
E F#m E A E B E E
Early in the morning our song shall rise to Thee;
A F#m E A D A
Holy, holy, holy! Merciful and mighty!
F#m A A D F#m D E A
God in three Persons, blessed Trinity!

Holy, holy, holy! All the saints adore Thee,
Casting down their golden crowns around the glassy sea;
Cherubim and seraphim falling down before Thee,
Who wert and art and evermore shalt be.

Holy, holy, holy! Though the darkness hide Thee,
Though the eye of sinful man Thy glory may not see,
Only Thou art holy; there is none beside Thee,
Perfect in pow'r, in love, and purity.

Holy, holy, holy! Lord God Almighty!
All thy works shall praise Thy name, in earth, and sky, and sea;
Holy, holy, holy! Merciful and mighty!
God in three Persons, blessed Trinity!

```
      E
You unravel me, with a melody
       A                B       E
You surround me with a song
      E
Of deliverance, from my enemies
      A           B           E
Till all my fears are gone

         A         B         E
I'm no longer a slave to fear
 C#m     B         E
I am a child of God

From my Mothers womb, You have chosen me
 A           B          E
Love has called my name

I've been born again, into your family

Your blood flows through my veins

Oceans

Key: D | Song Key: D | Capo: 0 | Notes:

```
Bm                    A        D
You call me out upon the waters
             A                        G
The great unknown where feet may fail
Bm                      A        D
And there I find You in the mystery
            A                        G
In oceans deep my faith will stand

G        D                       A
I will call upon Your Name
G                        D                      A
And keep my eyes above the waves
                         G
When oceans rise
                         D                      A
My soul will rest in Your embrace
          G          A        Bm
For I am Yours and You are mine

Bm                    A        D
Your grace abounds in deepest waters
             A                        G
Your sovereign hand will be my guide
Bm                      A        D
Where feet may fail and fear surrounds me
            A                        G
You've never failed and You won't start now

Bm                              G
Spirit lead me where my trust is without borders
          D
Let me walk upon the waters
     A
Wherever You would call me
Bm                              G
Take me deeper than my feet could ever wander
          D
And my faith will be made stronger
           A
In the presence of my Saviour

You have been so, so good to me
Bm                  A                          G
Before I took a breath, You breathed Your life in me

You have been so, so kind to me
[repeat]

       Bm            A             G                 D

       Bm              A                        G                 D
Oh, it chases me down, fights 'till I'm found, leaves the ninety nine
           Bm               A                       G             D
I couldn't earn it  I don't deserve it  Still, You give yourself away
       Bm            A             G                 D
Oh the overwhelming, never ending, reckless love of God

Bm                  A                     G
When I was Your foe, still Your love fought for me
Bm                A              G
You have been so, so good to me
Bm                  A                    G
When I felt no worth, You paid it all for me
Bm                A              G
You have been so, so kind to me

[Bridge] play softly, then louder 2x
Bm                        A                              G                        D
There's no shadow You won't light up, mountain You won't climb up, coming after me
