```
Bm                  A                        G
Before I spoke a word, You were singing over me
Bm                A              G
You have been so, so good to me
Bm                  A                          G
Before I took a breath, You breathed Your life in me
Bm                A              G
You have been so, so kind to me
[repeat]

       Bm            A             G                 D
Oh the overwhelming, never ending, reckless love of God
       Bm              A                        G                 D
Oh, it chases me down, fights 'till I'm found, leaves the ninety nine
           Bm               A                       G             D
I couldn't earn it  I don't deserve it  Still, You give yourself away
       Bm            A             G                 D
Oh the overwhelming, never ending, reckless love of God

Bm                  A                     G
When I was Your foe, still Your love fought for me
Bm                A              G
You have been so, so good to me
Bm                  A                    G
When I felt no worth, You paid it all for me
Bm                A              G
You have been so, so kind to me

[Bridge] play softly, then louder 2x
Bm                        A                              G                        D
There's no shadow You won't light up, mountain You won't climb up, coming after me
Bm                        A                              G                        D

There's no wall You won't kick down, no lie You won't tear down, coming after me

When I Survey The Wondrous Cross

Key: D | Song Key: D | Capo: 0 | Notes:

```
D                    G         D
When I survey the wondrous cross
D              G           D     A
On which the prince of glory died,
D                    G           D
My richest gain I count but loss,
D         Bm              A       D
And pour contempt on all my pride.

D                          G          D
Forbid it, Lord, that I should boast,
D             G          D           A
Save in the death of Christ my God!
D                             G          D
All the vain things that charm me most,
D       Bm           A       D
I sacrifice them to His blood.

D                             G           D
See from his head, His hands, His feet,
D           G           D         A
Sorrow and love flow mingled down.
D                             G       D
Did e’er such love and sorrow meet,
D          Bm             A       D
Or thorns compose so rich a crown.

D                             G       D
Were the whole relm of nature mine,
D              G           D       A
That were an of-f’ring far to small.
D                   G     D
Love so amazing so divine,
D           Bm          A          D
Demands my soul, my life, my all.

Early in the morning our song shall rise to Thee;

Holy, holy, holy! Merciful and mighty!
G#m B B E G#m E F# B
God in three Persons, blessed Trinity!

Holy, holy, holy! All the saints adore Thee,
Casting down their golden crowns around the glassy sea;
Cherubim and seraphim falling down before Thee,
Who wert and art and evermore shalt be.

Holy, holy, holy! Though the darkness hide Thee,
Though the eye of sinful man Thy glory may not see,
Only Thou art holy; there is none beside Thee,
Perfect in pow'r, in love, and purity.

Holy, holy, holy! Lord God Almighty!
All thy works shall praise Thy name, in earth, and sky, and sea;
Holy, holy, holy! Merciful and mighty!
God in three Persons, blessed Trinity!

Songs that bring Your hope, songs that bring Your joy,
