Blessed be Your Name

Key: A | Song Key: G | Capo: 2 | Notes: Block 1

Verse 1

```
A         E                    F#m             D
Blessed be Your name, In the land that is plentiful
             A              E                      D
Where Your streams of abundance flow, Blessed be Your name

A         E                       F#m            D
Blessed be Your name, When I'm found in the desert place
          A                    E                    D
Though I walk through the wilderness, Blessed be Your name

A                E                    F#m            D
Every blessing You pour out, I'll turn back to praise
A                                  E
When the darkness closes in
        F#m          D
Lord still I will say

                 A             E                        F#m     D
Blessed be the name of the Lord, Blessed be Your name
                 A             E                        F#m       D
Blessed be the name of the Lord, Blessed be Your glorious name

A         E                       F#m             D
Blessed be Your name, When the sun's shining down on me
            A                 E                      D
When the world's all as it should be, Blessed be Your name

A          E                     F#m                  D
Blessed be Your name, On the road marked with suffering
                 A              E                  D
Though there's pain in the offering, Blessed be Your name

      A              E          F#m              D
You give and take away, You give and take away
       A                     E         F#m               D
My heart will choose to say, Lord blessed be Your name

```
          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                        G
I see His wounds, His hands, His feet
           D             G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears

They laid Him down in Joseph's tomb
              C               G
The entrance sealed by heavy stone
        D                  G      Bm  C
Messiah still and all alone

Chorus:
  G                         C          G
O praise the Name of the Lord our God

Oh Lord, oh Lord  our God

            G

The Son of heaven rose again
            C                    G
O trampled death, where is your sting
           D                      G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                    Em
The blazing sun shall pierce the night
            C              G
And I will rise among the saints
            D                   G
My gaze transfixed on Jesus' face

The great unknown where feet may fail

You've never failed and You won't start now

Spirit lead me where my trust is without borders

Amazing Grace (My Chains are gone)

Key: D | Song Key: D | Capo: 0 | Notes: Closing song (play D or E)

```
 D                  G             D
Amazing Grace, how sweet the sound,
                           A
That saved a wretch like me.
  D         D           G         D
I once was lost, but now am found,
                  A    D
Was blind but now I see.

      D                      G           D
'Twas Grace that taught my heart to fear,
                        A
And Grace my fears relieved.
    D         D         G       D
How precious did that Grace appear,
              A           D
The hour I first believed.

   D            G                      D
My chains are gone, I've been set free,
             G                        D
My God, my Savior has ransomed me.
    D       G                     D
And like a flood His mercy rains,
          Em     A          D
Unending love, Amazing Grace.

    D                    G         D
The Lord has promised good to me,
                      A
His word my hope secures.
   D        D           G        D
He will my shield and portion be,
             A         D
As long as life endures.

G          D           G                D
The earth shall soon dissolve like snow,
                      A
The sun forbear to shine.
    D       D           G       D
But God who called me here below,
         A           D
Will be forever mine,
         A           D
Will be forever mine,
