Light of the World, You stepped down into darkness,
E       B          A

hope of a life spent with You.

here I am to say that You’re my God.
                  E                  B

altogether wonderful to me.

O Praise The Name

Key: | Song Key: G | Capo: 0 | Notes:

```
          G
I cast my mind to Calvary
             D                Em
Where Jesus bled and died for me
           C                        G/B
I see His wounds, His hands, His feet
           D             G          Bm  C
My Saviour on that cursed tree

          G
His body bound and drenched in tears
               D                Em
They laid Him down in Joseph's tomb
             C               G/B
The entrance sealed by heavy stone
        D                 G     Bm  C
Messiah still and all alone

Chorus:
  G                        C         G
O praise the Name of the Lord our God
  Em                   Dsus4  D
O praise His Name forever - more
    G/B                      C          Em
For endless days, we will sing Your praise
   C        Dsus4 D   G      Bm   C
Oh Lord, oh Lord  our God

            G
Then on the third, at break of dawn
            D           Em
The Son of heaven rose again
            C                   G/B
O trampled death, where is your sting
          D                      G
The angels roar for Christ the King

            G
He shall return in robes of white
             D                   Em
The blazing sun shall pierce the night
            C              G/B
And I will rise among the saints
            D                  G
My gaze transfixed on Jesus' face
